Description

Located in one of the most privileged areas of Mallorca, this newly built finca offers the perfect balance between tranquillity and accessibility. Surrounded by an incomparable natural environment, this property is situated just five minutes away from the charming village of Campos, with all the amenities it has to offer, and just a few minutes away from the paradisiacal beach of Es Trenc, famous for its beauty and crystal clear waters.~With an impressive 28,000 m² of land, this finca is the ideal setting to enjoy the natural environment at its best. At the centre of this large expanse is an elegant 390 m² house, carefully designed to combine comfort and functionality. The house has four bright and spacious bedrooms, three modern bathrooms, and a garage with space for two cars.~The property has modern installations, such as 28 solar panels that provide autonomy for the entire house, including a state-of-the-art air conditioning system and underfloor heating, ensuring maximum comfort in all seasons. The lighting and air conditioning are fully remote controllable via mobile phone, allowing you to adjust the ambience from anywhere.Outside, the property offers a spectacular porch ideal for relaxing or enjoying a good barbecue with friends and family. It also has a large swimming pool that invites you to enjoy the sunny days in total privacy. The plot has the possibility to be surrounded by fruit trees and ample green spaces, it has its own well, with sufficient capacity to irrigate the entire property, thus ensuring its maintenance throughout the year.~The sale price includes the exterior finishes, such as the main entrance made of Mallorcan stone with automated barrier, garden areas, barbecue area and an access road from the entrance to the house, all designed to guarantee functionality, aesthetics and durability.~Don't miss the opportunity to discover every detail of this spectacular finca in Mallorca. Contact us today for more information about this jewel in the heart of the Mediterranean.~
