Description

We are delighted to present an exclusive opportunity to purchase three adjoining commercial premises situated in a prime location within Playa Alcúdia. With a total built area of 215 m² (usable area of 186 m²), this property offers a wide range of possibilities for investors or entrepreneurs wishing to set up a business or explore potential options for conversion into residential accommodation; they are currently awaiting a decision on this matter from Alcúdia Town Council.~~The premises are available 'to renovate', allowing you to customise them to your specific needs. The north-facing aspect ensures plenty of natural light throughout most of the day, whilst their proximity to the sea—just two kilometres away—adds further value to these spaces.~~The development also boasts attractive amenities such as a communal swimming pool and a charming terrace, which are ideal for relaxation and enjoying the outdoors.~
