Description

Spectacular, fully renovated chalet in Badia Blava, Llucmajor, laid out over two floors connected by an interior staircase, with a private pool.~~The main house features a living room, a kitchen-diner with direct access to the pool, a study/office, 2 bedrooms and 1 bathroom. It also includes a fully independent apartment with its own bedroom, bathroom and private entrance — ideal for guests, family, or as a separate guest area away from the rest of the house.~~The property has recently been renovated from top to bottom: new electrical installation, completely renewed plumbing, a new kitchen fitted with Bosch appliances, and a thorough interior refresh. It has 4 new air-conditioning units distributed throughout the house and heating via an electric stove.~~As an added value, the chalet includes a self-consumption solar system with 21 solar panels and Tesla batteries, plus an already-installed electric car charging point — a significant energy saving for the new owner. The pool has a brand-new filter, ready to enjoy from day one.~~Set on a 650 m² plot, with porches on the ground floor, in a quiet residential area of Llucmajor, close to Palma and the beaches of southern Mallorca.~~A unique opportunity for anyone looking for a renovated, energy-efficient home with independent space for guests~
