Description

This wonderful penthouse, with a constructed area of approximately 113 m², is located in the residential area of Cristo Rey in Inca.~The building houses only two residences, and this property is situated on the second floor, with a terrace on the same level.~Upon entry, a foyer leads into a spacious, open-plan dining area. The property currently features three double bedrooms—one of which is set up as a walk-in closet—with the potential to create a fourth bedroom; the space currently used as a living room offers access to a lovely terrace with a gazebo.~There is a separate, fully furnished and equipped kitchen, accessible from the dining area, which leads to a large laundry/utility room that also provides access to the terrace. The property includes a full bathroom with a bathtub.~Features include PVC exterior joinery with double glazing (Climalit) and white lacquered interior woodwork. It is also equipped with air conditioning.~The property is conveniently located near all amenities and offers good accessibility. Come and see it for yourself—schedule your visit today.~
