Description

Discover a place where the island is truly lived. This exclusive triplex apartment, located in Siesta, Santa Eulalia, brings together over three floors everything you dream of when you think of Ibiza: open horizons, privacy and the Mediterranean as a backdrop.~~With 87 m² of interior living space and 67 m² of terraces spread across three levels, the home offers something very rare: the feeling of a house, not an apartment. Every floor invites you to step outside, breathe and enjoy the open air all year round.~~The first floor welcomes you with a terrace of almost 27 m² that opens onto the living room, a cosy space with a fireplace, perfect for winter evenings. The fully equipped kitchen completes a day area designed for living and sharing. A little further on you will find the master bedroom with a double bed, from whose window you can see the sea, and a second bedroom with a trundle bed and a study corner, ideal for guests or for working with inspiration. A bathroom with shower, washing machine and dryer completes this floor.~~Going up, the jewel of the home awaits: a 27 m² terrace with a porch and chill-out area, where the views unfold over Santa Eulalia, the sea, the mountains and the fields of San Carlos. A perfect setting for leisurely breakfasts, afternoons with a glass in hand and long dinners under the stars.~~The top floor houses a third bedroom with a double bed and a 13 m² terrace with wonderful sea views, an intimate retreat in which to wake up with the sea in sight.~~All bedrooms and the living room have split-type air conditioning with heat pump, for maximum comfort in every season. The property is in excellent condition, ready to move into, and part of the furniture can be included, subject to negotiation with the owner. In addition, free street parking makes everyday life even more convenient.~~Siesta has everything within easy reach: supermarket, pharmacy and bus stop, making daily life simple and comfortable. And just a 5-minute drive away, Santa Eulalia awaits with all the charm of a vibrant town that thrives all year round: a beautiful seafront promenade, restaurants, cafés, schools, a health centre and every service, with life and atmosphere in every season.~~Imagine coming home, climbing up to your terrace and gazing at Santa Eulalia, the mountains and the sea at your feet. A home with space, views and privacy in one of the island’s most beloved areas, with every convenience close by and ready for you to start living in it from day one.~~We invite you to discover it in person.
