Description

Large rustic plot of 22.239 m² between Muro and Can Picafort, in a beautiful and very quiet rural area, with possibility to build a single-family home with up to 667 m² and a swimming pool of up to 35 m². It is currently not fenced, has no connection to the electricity grid, but you will be totally energy independent with an installation of solar panels and the area also allows you to apply for a well. There is an agricultural building of 56 m² built on the land which needs to be reformed or could be demolished. The access road is paved and the property has beautiful views to the Serra de Tramuntana and it would have sea views from the first floor of a future house. This rustic property belongs to the municipality of Muro and is very well located in the North of Mallorca, as the magnificent beaches of Can Picafort and Playa de Muro are only 15 minutes away by car and the villages of Muro, Can Picafort and Sa Pobla offer a wide range of services, shops, restaurants, schools, sports and medical facilities. The nearby village of Sa Pobla has a train station that connects the Northern villages by train to Palma, which can also be reached in just 30 minutes by car. This property is ideally located for those looking for rural tranquillity with all the daily necessities close by. There is a time in everyone's life when country life calls to us. The peace, the nature, the freedom, the space, the privacy. Time for yourself. When this time to slow down has arrived, this plot of land between Muro and Can Picafort is the perfect place to build your new home to suit your taste. Design the house that makes you happy, that captures the marvellous views of the Tramuntana and the countryside, a house that is the perfect size for you and your family. Come and fall in love with this little piece of paradise.
