Description

An Oasis of Tranquility with Sea Views in Santanyí!~Welcome to your future home in the heart of Santanyí's idyllic landscape! Allow me to introduce an exceptional property, built in 2000, that combines rural tranquility with modern comfort and luxury, offering unobstructed views all the way to the Mediterranean Sea.~Upon entering this charming house, you are greeted by a spacious and bright open-plan living and dining area, distinguished by high ceilings that enhance the feeling of expanse and lightness. The fireplace and central heating throughout the house promise cozy and warm evenings during the winter months. From here, generous French doors open onto a covered terrace, providing the perfect ambiance to enjoy the pool, the lush Mediterranean landscape, and the view of the nearby sea.~On the ground floor, you will find two comfortable bedrooms, both with en-suite bathrooms, ensuring privacy and comfort for your family or guests. Additionally, an extra guest toilet completes this floor. The functional kitchen features a practical pantry and a spacious utility room. All windows, doors, and built-in wardrobes are crafted from larch wood, radiating elegance and warmth into every corner, while easy-care Mallorcan shutters convey a classic island aesthetic.~On the first floor, you will discover the light-filled tower room, which can be adapted to your needs as a third bedroom, an additional living room, or a studio. This room opens onto a private terrace with breathtaking views, from which a staircase leads directly down to the garden and the magnificent pool.~The outdoor area of the property is a true paradise. The almost 45 m² pool and the extensive terraces surrounding it offer ample space for sun loungers and parasols. A barbecue area complements the perfect spot for relaxation with friends and family. The property is connected to the public water and electricity grids and is completely surrounded by a typical Mallorcan stone wall, ensuring privacy and security. For your convenience, the property features a covered carport and an antique stone shed for garden tools. The automatic irrigation system simplifies landscape maintenance.~Located at the end of the road, this southwest-facing property assures you absolute tranquility and a perfect dream setting to begin your new life in paradise.~Don't miss the opportunity to make this Mallorcan retreat your home!
