Description

Beautiful luxury home set on an expansive plot of 17.535m², this impressive mansion is located in one of the most prestigious areas in the north of Mallorca, in Puig de Santa Magdalena, close to Inca. With a living area of around 550m², this residence offers a total of 4 spacious bedrooms and 5 bathrooms. Designed as a large family home, its flexible layout of space allows for a variety of uses.~Built to the highest standards, its living rooms are spacious and bright, while the kitchen is equipped with the best appliances. In addition, there is Viessmann central heating on the ground floor and reversible air conditioning in all rooms.~An impressive swimming pool where you can enjoy the best company in luxurious and relaxing surroundings on the island of Majorca. The generously sized basement covers approximately 480m² and can accommodate up to 15 vehicles, with an automatically opening garage door.~The property also boasts a deep water well which guarantees a constant supply, even during the hottest months of the Mallorcan summer. An additional advantage is the holiday rental licence, an important consideration from an investment perspective. In addition, there is a separate building of approximately 50m² which could be converted into a guest house. The views from the property are breathtaking, with panoramic views towards Campanet, Santa Maria and Palma de Mallorca, all just a few minutes' drive away. Tranquillity and convenience define this enclave, which also offers quick access to the beautiful beaches and the north coast.~For more details about this unique property, please do not hesitate to contact REMAX BETTER LIFE.~
